THE COLTON ASSOCIATION. pose of initiating a Cotton Association the pros and cons of and for the questhe pros and cons of and for the ques-tion, the meeting adjourned until next Monday. There is much to be said

A mass meeting of the German workingmen was held yesterday from the English branch of the eight hour not. If we had no Chamber of Commerce and Merchants' Exchange around which to raily the whole mercantile interest of our young city, a Cotton Exchange would be in order; Cotton Exchange wo but, with such an organization, having a charter, constitution and by-laws that provides for any and all centingencies of trade, we do not see that there is anything to gain but much there is anything to gain but much there is anything to gain but much chamber of commerce we find perchamber of commerce we find perchamber of enumerical ways. Among the members of the paris crew of the St. John has been accepted by the Biglin crew of New York, conditional on its taking place in Harlem river in June or July, for \$1000 or \$2000 a side.

On motion of Senator Morrill, of Vermont, the secretary of the treasury was directed to ascertain on what terms sites for public buildings could be obtained in Harrisburg, Pennsylvania, and Sacremento, California.

A motion by Senator Sherman, authorizing the secretary of the treasury of the treasury of the treasury of the treating an additional land district in Nevada passed.

On motion of Senator Morrill, of Vermont, the secretary of the treasury was directed to ascertain conditions Vannorden was immediately pardoned by Governor Warmoth and liberated. During the investigation it transpired that Southworth had be obtained in Harrisburg, Pennsylvania, and Sacremento, California.

A motion by Senator Sherman, authorizing the secretary of the treasury of the treating an additional land district in Nevada passed.

On motion of Senator Morrill, of Vermont, the secretary of the treasury was directed to ascertain conditions Vannorden was immediately pardoned by Governor Warmoth and liberated. During the investigation it transpired that Southworth had be obtained in Harrisburg, Pennsylvania, and Sacremento, California.

A motion by Senator Sherman, and delivered to Lewis on March 4th. Upon complying with certain conditions Vannorden was immediately pardoned by Governor Warmoth and liberated. During the investigation it transpired that Southworth had be obtained in Harrisburg, Pennsylvania, and Sacremento, California.

A motion by Senator Sherman and the vertain conditions vanishes and the part of the treasure in the secretar or less extent, buy or sell cotton.

These pay from fifteen to twenty-five dollars nor year to want to make the self, approached too near the engine authorizing the secretary of the treasury to purchase a site for public buildings in Cincinnati, passed.

A quantity of the secretary of the treasury to purchase a site for public buildings in Cincinnati, passed. These pay from litteen to twenty-nve dollars per year to support and sustain the chamber, which affords all the facilities for, and answers all the purposes of, every branch of trade. Why should these merchanis be forced to pay fifty dollars per year additional to support a cotton exchange which will was ex-Deputy Controller Richard A. only answer the purposes of one Storis, whom the prosecution called branch of trade that has already, or may secure through the chamber of audit in the year 1870. Mayor Hall's commerce, all that such exchange can counsel entered an exception to the promise it. Memphis is too small a admissability of the document. tionable, they can have both the disamount than a tenth part the outlay against Ezra Cornell, founder of the the Cotton association will call for in the shape of initiation fees and yearly dues. But above and beyond these reasons, which we think strong enough the court to day on a motion to change court to day on a motion to change to defeat the establishment of this Court, to-day, on a motion to change the place of trial from Orange to Tompkins county. Cornell denies the that this Cotton association, if estab-lished seperately from and independ-to have suffered a loss of \$250,000 by ently of the Chamber of Commerce, may lead to a total change in the reserved. modus operandi of our cotton business, and introduce the gambling system which, as practised in New York, has an injurious effect upon the staple and operates against the producer by a fictitious increase of the crop far beyond the receipts or the producing capacity of the country. No one will pretend night, on the difference of Bibles. to claim that all "futures" are deliver-York who deal in them are content with the "difference" either way, and do not exact the actual number of that the expedition against the bales they buy or sell. It is simply a Looshas has practically ended, and

which at the end of the year is as disastrous to the cotton trade as the breaking of the bank of a regular gambling hell when those who have the "chips" hold what represents the fietitious capital of the banker. The "chips" of the hell are on a par-York cotton exchange. But, again, Suppose this reckless spirit of gambling introduced in Memphis, as it will be if this exchange is established, who will be the victims of the rapacity of such a spirit? The planter- Commission merchants, imbued with the prevalent notions, will anticipate the arrival of the "crops" of their customers, and thus, right here in Memphis-where, above all home, where he feels he is certain to get the highest prices for his cotton. upon smaller commissions, less tare and fewer samplings-here the planter will be confronted with the first batch of gamblers, and will read in the ing commercial, reports uses, and the providing in his interest—as all do now—we are planning age "interest" on skets a market force a price that is more likely force a price that is more likely force a price that is more likely force as price that is more likely force, and which has excited and which has excited and challenged as the before our streets would be before our streets would a deserted and the pinnters leave of the before our streets would a deserted and the pinnters leave of the before our streets would as deserted and the pinnters leave of the before our streets would as deserted and the pinnters leave of the before our streets would as deserted and the pinnters leave of the before our streets would as deserted and the pinnters leave of the before our streets would be before our streets would as deserted and the pinnters leave of the before our streets would as deserted and the pinnters leave of the before our streets would as the before our streets would as deserted and the pinnters leave of the before our streets would as the street of the streets would as the streets would morning commercial reports that, inmerce, to be sustained by only a slight increase upon the present dues of that body, and to be controlled in the interest of the producer, we can see no objection to it. But woe to us, if it shall be organized separately and be controlled altogether in the interests of the organized statement of the organized separately and be controlled altogether in the interests of the organized separately and be controlled altogether in the interests of the organized separately and be consider why seed to sustained by only a slight increase upon the present dues of that the secretary of the testimony be furnished to furnish in midder touches and the active observable military. OF MEMPHIS. FOR a while after the termination of the great war, Memphis labored under nume rons depressing influences, which prevent-e | her merchants from offering to surround-ing country dealers are for the surrounding country dealers such facilities as were sarnestly dealerd. Those difficulties have, however, continued, one by one, to vanish, until she can now confidently invite. The Largest, Rest and Closest Dealars throughout the entire surrounding country to a market which, taking all things into consideration, can offer them

**EXTRAORDINARY GROWTH** 

GREATER INDUCEMENTS for their trade than either New Orleans, St. Louis, Cincinnati, or Louisvitie. In the mat-ter especially of Bry Goods, Clothing Tankee Notions, White Goods, Ladies' Trimmed Hais, Eibboas, Stationery, etc., etc. We beg to call particular at WE ARE NOW OPENING our spring stock, which we beg you to THE VERY REST o be found in either of the above name IT SHOWS TO ADVANTAGE,

whether as r gards quantilies, prices, amoriments, etc., we think your mataliset interests will persuade you to concentrate here at home whatever of patronage you may be in the habit of giving to other cities further off. Please call and see for yourselves, and if you find out statements as represented, we are sure you will trade with us. WM. R. MOORE & CO. 299 Main Street. Next Boor North Peabody Hotel.
